

Saint Thomas & Saint Timothy Parish

 **BUILDING
OUR FUTURE**

This campaign will fund the critical improvements such as:

Restoration and Purchase of Altar Items and Vestments

We have begun the restoration and, when necessary, acquisition of sacred vessels, candle sticks, vestments, and altar linens. Each church will have a complete complement of vessels, linens, and vestments to celebrate Mass.

Air Conditioning Installation in Saint Thomas Church

As a spiritual home for our parishioners, the comfort and safety during worship services needs to be ensured. We plan to install a modern air conditioning system. This will make our church a more comfortable space during all months, but especially during the summer months.

Replacement of School Windows at St. Timothy Campus

Our schools are where the future of our faith is nurtured. However, the windows in our school buildings have aged significantly and are no longer energy efficient. Replacing these windows will enhance classroom comfort and reduce heating and cooling costs, allowing us to better use our resources for educational purposes.

Safety Lighting at both campuses

Ensuring the safety of our parishioners, students, and visitors is a top priority. We will install new outdoor lighting around our church and school campuses to improve visibility at night, enhancing security and peace of mind for all who visit.

Interior Painting of Saint Thomas Church

The interior of Saint Thomas Church has long been in need of attention. Freshly painted walls will not only restore the beauty of this sacred space but also provide an inviting atmosphere for prayer, reflection, and celebration.

This list is not exhaustive of the projects in the queue. There are maintenance items, required repairs, and additions on the list of possible projects that will all enhance and support the worship experience, parish community life and the safety and security of our parishioners, students and visitors.

Our Goal

Raising \$2.2 million will allow us to complete these projects while maintaining financial stability for our parish by supplementing our Operating Fund. *Every contribution, large or small*, will help us reach this goal and will be a lasting investment in the future of our community. We welcome gifts restricted to any particular project.
